

YOUTH SERVICE GROUPS

Plugged-In Wednesdays, 6:30pm to 8pm

Serving Junior Highers, this ministry is where students can fellowship with their friends, play video games, foosball, shoot some pool, participate in worship with their peers and hear a Christ-centered message all in the same night.

Pursuit Fridays, 7pm to 9pm

An interactive bible study where we lead High School students into a deep and applicable message.

Journey Sundays, 9am and 11am

Immediately following the adult worship time during both Sunday services, the Jr. High students meet to focus on direct spiritual growth. We call it *Journey* because we challenge the students to practice what they learn throughout their lives.

Revolution Sundays, 11am

A place for Senior High-level teens to share with, encourage, and challenge each other to enact practical disciplines as growing members of the Body of Christ.

Additional youth-oriented Ministries, Programs, Events and Groups are announced regularly. Check out our own website for the latest information at HopeSanPedro.org/Youth or HopeSpace.org

I’d like to extend an open invitation to all parents to contact me with any questions or concerns you may ever have. I look forward to talking with and serving your teen.”*

“Don’t let anyone think less of you because you are young. Be an example to all believers in what you teach, in the way you live, in your love, your faith, and your purity.”

**A GUIDE TO HELPING TEENS
FIND AND FOLLOW CHRIST**

“Whoever claims to live in him must walk as he did.”

—1 John 2:6

Hope Chapel Youth Ministries strives to be a dynamic, accepting fellowship that reaches non-believing students through helping the next generation grow in their faith and become messengers of God’s good news. Hope Youth is *of, by and for* today’s teen culture with an emphasis on sharing the biblical truths of God’s redemptive love—inspiring them to become genuine disciples of Jesus. We embrace laughter, energy, creativity and humor as expressions of an abundant life in Christ.

Our core purpose and vision revolves around 1 John 2:6 which says, “Whoever claims to live in him must walk as he did.” This verse is the cornerstone of our pastoral approach—following Christ’s example of how He ministered to others. As the ultimate model of leadership development, we utilize Jesus’ teachings to equip others by encouraging spiritual growth.

Through a variety of programs, events and outreach, we seek to draw young people in to participation in the life, work and mission of Hope Chapel San Pedro.

ACTIVITIES

We have created a decidedly Christian community in which all may feel welcomed and accepted. Our programs and curriculum reflect the same. On the back of this brochure, we have listed the ongoing group events designed to engage contemporary youths with Bible-based functions. Through spirit-probing lessons, peer-based witnessing, stimulating games and lively worship (yes, we even have our own band!), we are able to *reach* kids and bring them into the Kingdom of Heaven.

In addition to our weekly times of fellowship, we conduct several annual extracurricular programs to enrich the spirit and sometimes reveal an unexposed life calling. Our youth play an integral part in our semi-annual Mexico outreach trips as they bring the message of God’s good news to others. Our Summer and Winter camps provide endless fun and friendships they will cherish forever. And our talent shows provide an outlet to let their God-given gifts shine.

MENTORING

Mentoring is an important element of our ministry. It is our objective to see at least 75% of our students become connected to an adult mentor. These “AC (Accountability Connection) Partners” seek to meet the spiritual and social needs of San Pedro youth through committed leadership, tempered guidance and loving support. We truly want to see students excited about service to their church and empowered to use their developing gifts for ministry. From this caring association, the fruits of generational discipleship come alive.

Those adult members of Hope Chapel who might feel a calling to become involved are strongly encouraged to do so. We have an ongoing need for Christian teachers, mentors, group leaders, monitors, event planners and other staff. To get involved, just call or email Youth Man Dan.

THE D.E.N.

The D.E.N. (Discipling Evangelists Nonstop) is our student ministries facility which is currently under construction. It includes a worship center, the “lounge” and classrooms. It is geared to be a place for youth to come be *who they are*—teens. It’s also the place where they learn who God really is.
